ABOUT US @ MCOS

The MCOS is a not for profit 501 (c)(3) with the purpose to promote, carry on and aid in the development, improve and the preservation of orchids including the importation and improvement by cultivation and hybridization and the preservation of native orchids;

- to conduct or cause to be conducted scientific research for the improvement, development or preservation of orchids and for the promotion of a higher degree of efficiency in growing thereof;
- to collect information relating to the growing and development of orchids;
- to disseminate information concerning the culture, hybridization or development of orchids by exhibitions, lectures, publications, or otherwise;

- to assist those engaged in the growing of orchids by such research and dissemination;
- to make awards in the form of certificates, medals or otherwise, for excellence in the development or culture of orchids;
- and generally to extend the knowledge, production, use and appreciation of orchids of any kind and in any manner.

In keeping with the MCOS purpose, educational scholarships are awarded each year to Martin County High School Seniors. We have projects to reintroduce endangered orchids back to the area. To date over 500 orchids have been placed in Martin Co.
